CARMELITE MONASTERY
Carmel-by-the-Sea
California

PAX...

WE ARE NOW at the other
end of the continent... currently
broiling in the sun by a pool.
Have been touring around &
Lin is camera-snapping. We're
going up to the City (S.F.) for a
couple days, too. Life is wonderful
and sunny and we're considering
retiring permanently to Taihiti or
some such. Will come see
you soon. Love. K + Linda.

P.S. We resisted temptation to paint
hammered sickles on this fair, seafaring
Resort town.
